Departmental class scheduling for Fall 2022 semester is accessible in GUS beginning March 1, 2022. Please forward this memorandum to the appropriate class schedulers within your college.

Fall 2022 GUS Schedule of Classes Deadlines:

1. Graduate classes are to be scheduled in GUS by May 1. Undergraduate classes are scheduled earlier to allow faculty to make book adoptions by April 1.
2. Class schedule *changes* and *late requests* for Fall will be accepted by OUR beginning May 1 via the electronic *Class Schedule Change Form*, accessible at <https://registrar.uams.edu/our-forms/gus-class-schedule/gus-class-schedule-change-form/>
3. New requests or change requests received after May 15 may not be processed in time for the early registration period. New requests or change requests received after July 15 may not be processed.
4. In compliance with [Arkansas Act 175 of 2007](#), course adoptions for undergraduate classes are due by April 1, 2022, for Fall 2022 semester. Akademos receives course schedule information from GUS, and all undergraduate classes must be scheduled with instructors assigned and book adoptions completed prior to that date.
