

UAMS Academic Calendar

Academic Year **2026–2027**

Publication Date: March 13, 2026

Calendar Information

- UAMS operates on multiple academic term and session calendars across programs. Standard UAMS terms and sessions are included in the “UAMS Regular Terms” section below. Programs not listed separately follow the Regular Terms for their respective colleges.
- Summer 2026 is part of the 2025–2026 academic year but is included here for reference.
- UAMS Census Date is the 11th day of classes for fall/spring terms and the 5th day of classes for the summer term. It is calculated based on the UAMS Official Term Dates.
- Additional notes appear below some college sections and are marked with an asterisk (*). For cohort-based programs, follow the admit/graduation terms to identify the appropriate cohort term and session dates.
